BMW M760e xDrive with optional M Performance package:

21" M aerodynamic wheels 909 M Multicolour Jet Black 3D gloss finish with mixed tyres, exterior colour in BMW Individual two-tone metallic Black Sapphire / BMW Individual Dravite Grey metallic, multifunction seats in BMW Individual Merino leather/wool-cashmere combination Smoke White/Light Grey with exclusive elements, BMW Carbon Fibre M interior trim with Silver Threads/Piano Black.

Fuel consumption in l/100 km (combined): 1.2 – 1.1
Power consumption in kWh/100km (combined): 26.9 – 25.8
CO₂ emissions in g/km (combined): 28 – 25
All values are provisional.

Official data for fuel consumption and CO₂ emissions was determined in accordance with the prescribed measuring procedure and corresponds to European Regulation (EC) 715/2007 in the applicable version. For ranges, data determined as per WLTP takes into account any optional equipment (available on the German market in this case). For vehicles that have been newly type approved since 1 January 2021, only the official data according to WLTP exists. For more information about NEDC and WLTP measuring procedures visit www.bmw.com/wltp

The models illustrated in this medium show the equipment and configuration options (standard and optional) for vehicles produced by BMW AG for the German market. Alterations in standard and optional equipment and the configurations available for the different models may occur after 05/02/2022, the editorial deadline for this medium, or according to the specific requirements of other member states of the European Union. Your local BMW Partner is available to provide further details. Subject to change in design and equipment.

Of course, each vehicle is designed for economical recycling after its long-running life. You can find more information regarding your end-of-life vehicle on our website www.bmw.com/recycling
