X7 M60i xDRIVE

DYNAMICS THAT
MOVE MOUNTAINS.

There's a bond between the road, the vehicle and the driver. The promise of an unrivalled experience of performance. Transforming taste into a statement. Unique. Outstanding. Real.

Born on the racetrack and driven by the uncompromising will to win. Fuelled by the art of engineering and electrified by the future. Sustained by expressive style and rewarding luxury. Power, pushed to the limit and controlled to the max. It is the ultimate homage to the driver.

This is the peak of driving. This is a bold statement of sovereignty. This is a celebration of taste. This is driver and machine as one.

This is BMW M.
The most powerful letter in the world.
The ultimate BMW.

GETS YOU TO YOUR
DESTINATION.
WITH A RUSH
OF ADRENALINE.

CHARISMATIC.
FROM EVERY
PERSPECTIVE.

A NEW
DIMENSION
OF LUXURY.

IMPRESSES IN SECONDS.
INSPIRES
FOREVER.

ALL BMW MODELS IN ONE APP.

BMW X7 M60i xDrive:

M Sport package Pro, 22" M light alloy wheels V-spoke style 755 M Jet Black, exterior colour in Frozen Marina Bay Blue metallic, BMW Individual full Merino leather ZBSW Black, Carbon Fibre M interior trim.

Fuel consumption in l/100 km (combined): 12.9–12.1

CO₂ emissions in g/km (combined): 292–274

Official data for fuel consumption and CO₂ emissions was determined in accordance with the prescribed measuring procedure and corresponds to European Regulation (EC) 715/2007 in the applicable version. For ranges, data determined as per WLTP takes into account any optional equipment (available on the German market in this case). For vehicles that have been newly type approved since 1 January 2021, only the official data according to WLTP exists. For more information about NEDC and WLTP measuring procedures visit www.bmw.com/wltp

The models illustrated in this medium show the equipment and configuration options (standard and optional) for vehicles produced by BMW AG for the German market. Alterations in standard and optional equipment and the configurations available for the different models, as described in this app, may occur after 04/30/2021, the editorial deadline for this app, or according to the specific requirements of other member states of the European Union. Your local BMW Partner is available to provide further details. Subject to change in design and equipment.

Of course, each vehicle is designed for economical recycling after its long-running life. You can find more information regarding your end-of-life vehicle on our website www.bmw.de/recycling
